

ANDREA CICCOLINI

CHIEF INFORMATION AND TRANSFORMATION OFFICER

Andrea graduated in Engineering from the Polytechnic of Turin. He started his career in IVECO in 2000 and relocated to the United States in 2005 to Federal-Mogul Corporation as IT Director.

In 2011, he joined the Pfizer Group, first as Vice President of IT for Hospira, part of the pharmaceutical group, and afterward as Vice President IT Quality and Manufacturing Operations of Pfizer.

Back in Italy in 2016 he entered Whirlpool Corporation as Chief Information Officer EMEA to add later the responsibility for all the Regions where Whirlpool operated.

Andrea joined Amplifon in July 2020 as Chief Information Officer before becoming Chief Information and Transformation Officer in January 2024.
