

# FEDERICO DAL POZ

## CHIEF LEGAL OFFICER

Federico completed his law degree at the University of Turin, holds a master's in management from Milan Politecnico and qualified as a lawyer.

He started his career in 2001, working at an international law firm and competition authority, then moved to the English law firm Allen & Ovey in 2003 in the Energy and Projects practice at their Milan and London offices.

In 2008 he entered the world of corporates, initially as General Counsel at Sorgenia and then, in 2014, as Head of Legal Affairs EMEA at Luxottica.

Federico joined Amplifon in November 2016 as Chief Legal Officer.
