

PAOLO LAZZARINI

CHIEF STRATEGY & BUSINESS DEVELOPMENT OFFICER

Holding a Master's degree in Business Administration, Paolo combines an international experience in Private Equity with General Management track record as an Executive, covering Sales, Operations, as well as Corporate Development roles.

After starting his career at JP Morgan Chase in 2000, he joined Bain & Co in 2002, working across Europe and the US as a consultant.

In 2007, he moved to Investitori Associati Private Equity as a Director and Operating Partner.

In 2014, he became Vice President Business Operations in Pantheon Healthcare, a Swiss based Permira-backed venture operating in the diagnostic imaging services space.

Three years later, he joined Metro AG as Value Creation Director, to be then appointed Global Director of Strategy – Corporate Development (M&A, Group Strategy and Business Development).
